

# LIFE Impact

## WHO WE ARE

Grace Place Family Health Center is a 501(C3) non-profit faith-based medical center. We do not receive any state or federal funds. We are supported entirely by donations. Thanks to the generosity of our donors, the services we provide to our clients are free.

## MISSION

Saving lives while providing abortion alternatives through the power of the Gospel.

## VISION

To become the most trusted name in unexpected pregnancy care and support for women, men and their families in the Four Corners Region.

## OUR VALUES

Women and their partners are better equipped to make decisions about their future when they are empowered through education, when they have a reliable support system, and are confident in the choices they make.
